

DEARBOURNE LOFT

Chris Mitsiou has been flying pigeons since 1982, always in the mighty Up North Combine. The Up North Combine is one of the largest combines in Canada, and by far the toughest in Ontario. In 2017, the Up North Combine averaged 1312 birds shipped in Young Birds, from as many as 102 lofts. Chris' performance has always been brilliant, and amongst the best in Canada, but.. 2017 was special.

In 2017 Young Bird program in the Up North Combine, Dearbourne Loft won the following:
